ENGRAVER'S DEPARTMENT,

21 July 1894.

Sir

I have the honor to report the cost of engraving hubs for the nickel coinage of Ecuador to be about \$250. per pair of hubs. As we have not yet seen any designs for these coins I cannot say absolutely that this estimate is correct. If the design is very elaborate it may increase the cost of hubs. Cost of coinage dies \$20 per pair.

I am very respectfully
Your obedient servant
Chas. E. Barber
